

HOW TO

PICK THE RIGHT GRIP SIZE

?

1.

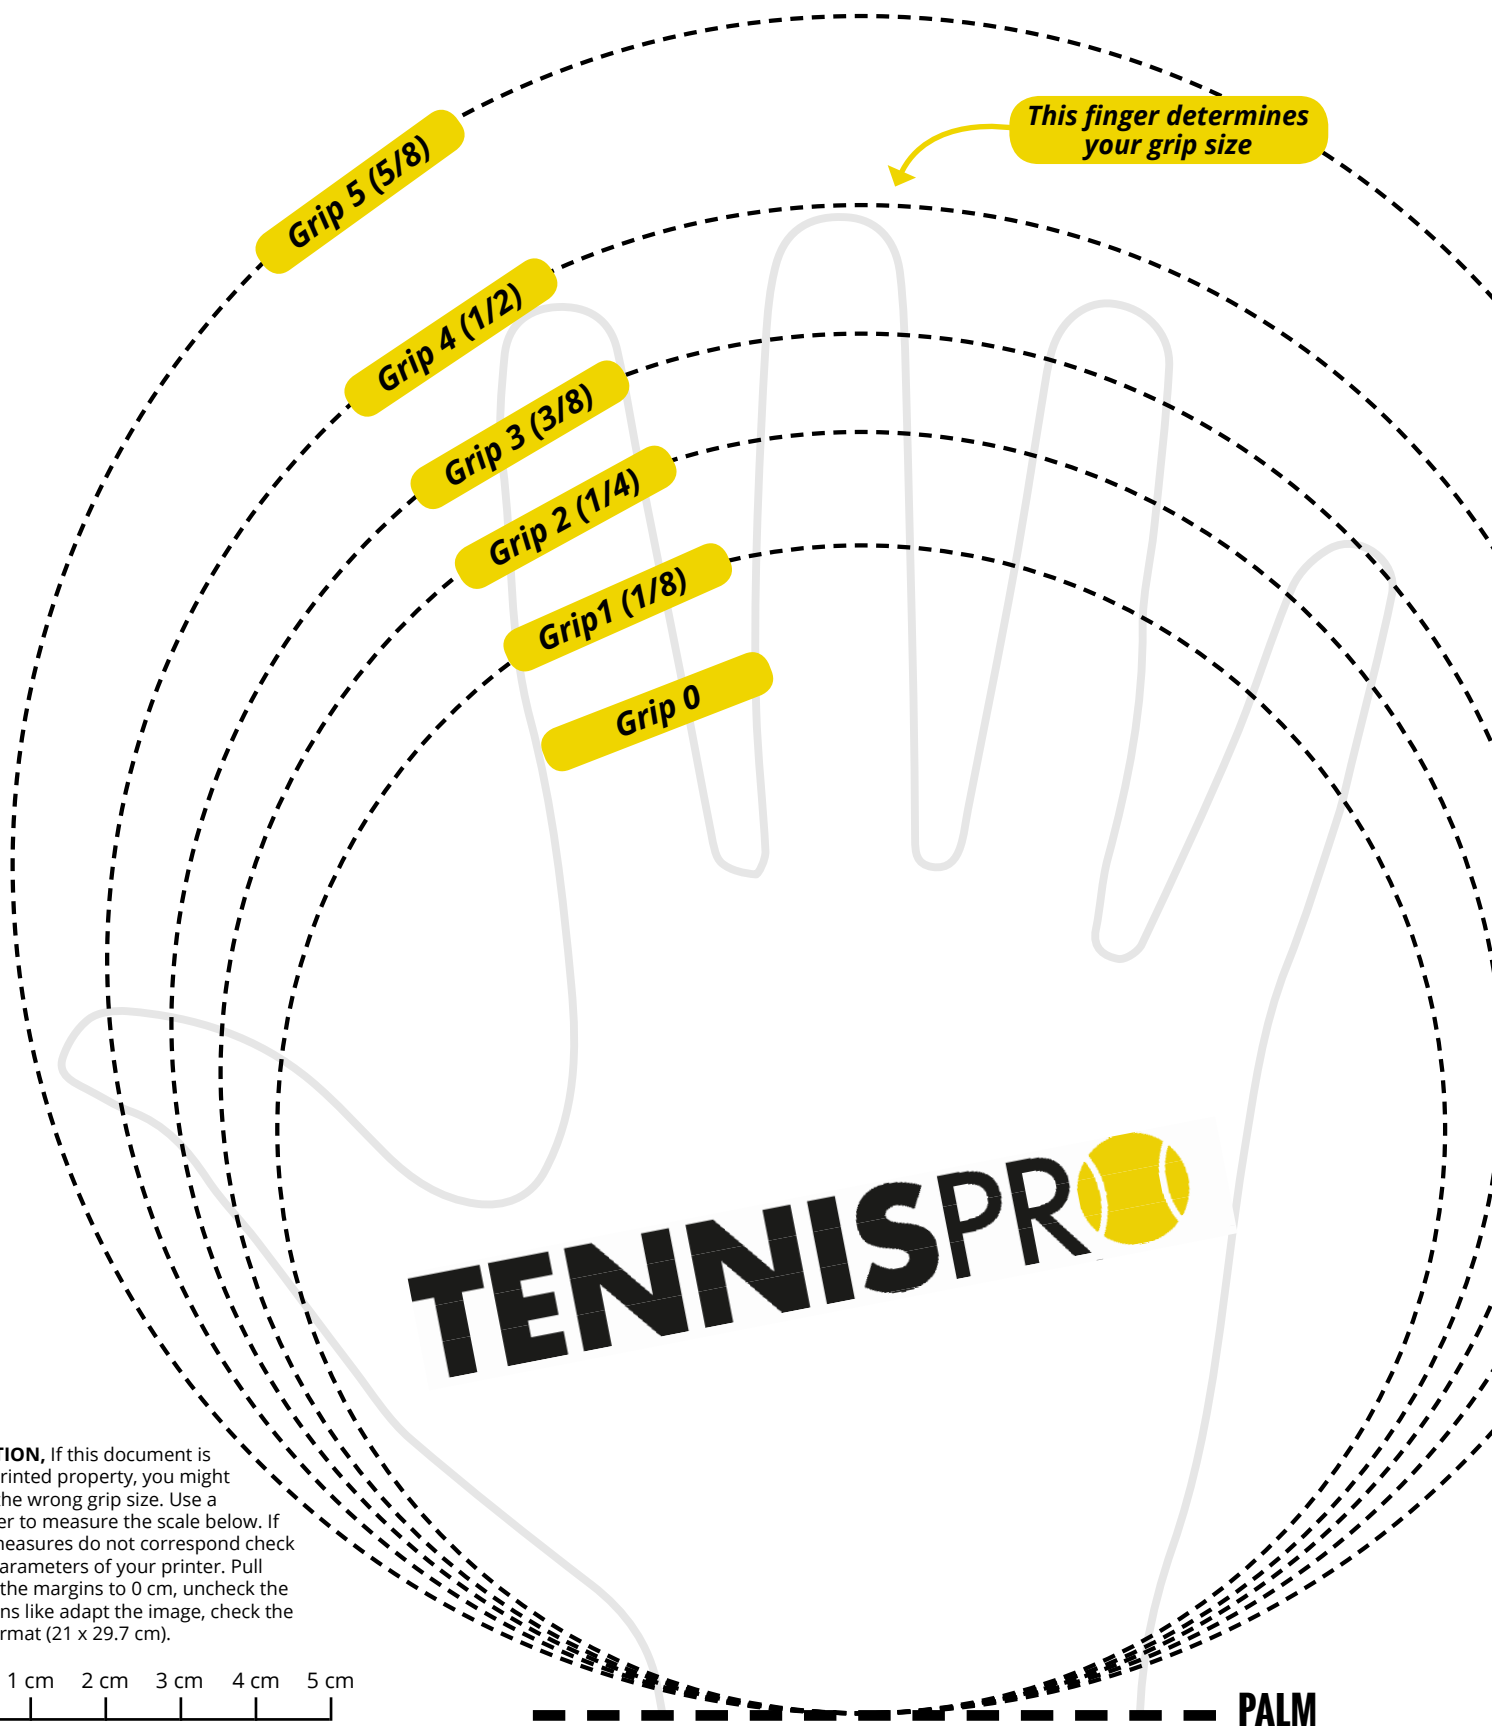

PUT THE PALM OF YOUR HAND ON THE DOTTED LINE.

2.

MARK THE EDGE OF YOUR MIDDLE FINGER WITH A PEN.

3.

IF YOU ARE BETWEEN TWO SIZES, PICK THE SMALLEST ONE.

CAUTION, If this document is not printed properly, you might pick the wrong grip size. Use a rubber to measure the scale below. If the measures do not correspond check the parameters of your printer. Pull back the margins to 0 cm, uncheck the options like adapt the image, check the A4 format (21 x 29.7 cm).
